

Bathroom Renovations

POWERED BY

DCON Group are your bathroom renovation experts. We love to help homeowners plan and construct their renovation project whether it is large or small.

Clients often remark on our ability to listen and appreciate their questions and concerns about their projects, and we care very deeply about giving every single customer the best result possible for a fair price.

As fully licenced and insured builders, with over 10 years in the industry and qualified in construction management, our team have the experience and skills to complete Sydney bathroom renovation projects of all sizes.

Bathroom renovations are our passion because we love bringing all of our client's ideas together to transform their space into their vision.

Renovating a small bathroom has its challenges, like any construction project. But problem-solving and achieving the best possible end result is part of what makes the job so fun.

It's important to me that our team always provide the best possible experience and a result that we're both proud of. When you're ready to start your building or renovation project, please get in contact and my team and I will do everything we can to help you.
